### CAPTAIN BRAY MAKES REPORT

#### Balance on the Right Side Despite Sixty-Four Boarders Who Ran Away.

The delayed annual meeting of the Sailors' Home Society was held Saturday morning at the Chamber of Commerce rooms, and after the reading of reports and discussing routine matters, the board of trustees elected the following officers: President, W. F. Allen; vice president, John Ena; secretary, F. A. Schaefer; treasurer, E. F. Bishop.

Trustees for the term ending December 31, 1903, were re-elected as follows: E. F. Bishop, J. B. Atherton, John Ena, F. W. Damon, Captain Fuller and Henry Waterhouse.

The principal report presented at the meeting was that of Captain Isaiah Bray, superintendent of the Sailors' Home, which covers the period since April 15, 1900, when he assumed charge of the institution, up to December 31, 1900. He stated that he first dismissed all the permanent lodgers in the Home and thoroughly renovated it and made it cleanly and comfortable as a lodging-house for seafaring men. He states that there was left in his hands by the former management a number of unpaid bills, but no new ones had been contracted during his regime. The new artesian well sunk on the grounds of the Home by the Hawaiian Electric Company will make a saving of \$25 a year to that institution.

The following extracts from Captain Bray's report are interesting:

"The seafaring men do not like the dormitory scheme, but prefer rooms, and I recommend that an addition of twenty-five rooms be made as a means of increasing the revenue."

"Incoming vessels are now visited by a Home runner; a boat has been purchased and by this means the vessels are easily reached and the masters and sailors on the ships are made acquainted with the fact that Honolulu has an admirable institution where seamen can find comfortable quarters ashore. A regular shipping business is also conducted, although it is not remunerative. A careful record is maintained of all sailors entering the Home, with their nationality, last ship, capacity, ship joined, where bound and date of sailing."

As to those who have assisted the institution, Captain Bray makes mention of the following: A. F. Cooke has assisted financially; T. Rain Walker paid water rates; Mr. Schultze furnished German reading matter; Mrs. Hyde, story books; Miss Mary Parker, new Gospel hymn books, and Miss Bray, a cabinet organ. On Sunday evenings the sailors present enjoy singing under the auspices of the Y. M. C. A.

In the period specified in the report 371 seafaring men have availed themselves of the advantages of the institution, while transients added, run the number up to 413. Financial losses to the amount of \$235.10 were had through the defaulting of sixty-four boarders who "forgot to pay" before leaving. The number of men shipped from the Home was 242. The treasurer's report showed that there was a balance of \$765.57 remaining in his hands. The gross receipts were \$2,897.36, gross expenditures \$2,684.66, leaving a balance in Captain Bray's hands of \$214.70. Many liberal subscriptions have been made to the Sailors' Home, which have assisted the institution materially.

The resignation of T. R. Walker from the board was accepted and a vote of thanks tendered him for the splendid services he has rendered for the Home in past years. F. M. Swanson was elected in his place. The executive committee, consisting of C. L. Wright, F. W. Damon and W. W. Hall, was instructed to report upon the improvements suggested by Captain Bray and others.

### COMING EXHIBIT AT BUFFALO FAIR

Miss Davison Will Sail To-  
morrow With the School  
Display.

The Legislature has expressed its approval of the desire of the local Government to send a representative of the Educational Department to Buffalo, by putting through the bill calling for \$3,500 for the expenses thereof. The bill which was introduced in the Senate by Senator Carter, and in the House by Representative Beckley, made quick progress through its three readings in each House. There was an almost unanimous vote on the measure. The only opposition displayed in the Senate was by one who expressed his disapproval for personal reasons only. The bill is now in the hands of Governor Dole for signature.

Miss Rose Davison, assistant secretary of the Board of Education, who will represent the department at the Pan-American Exposition, has been working diligently for the past four or five days getting her exhibit in shape for transportation. The various big schools have been called upon to make up their displays, and many fine pieces of work will be exhibited which will surprise the American population which yet believes that Hawaii is a land of cannibals. Fine lace work from the Kamehameha Girls' School, specimens of manual work by the Boys' School, will prove one of its features. The exhibit from Kawaiahao Seminary will be a superior one. The freight will go forward tomorrow on the Sierra and Miss Davison and assistants will leave for the Coast by the same steamer. They will remain at the Exposition for the greater part of the summer. Before returning to Honolulu Miss Davi-

son will visit New York City, Washington, Chicago and other large cities.

#### Entertained at Dinner.

WAILUKU, April 18.—A most enjoyable time was had at Kahului last Sunday afternoon, when C. F. Siemsen entertained many of his friends at a grand dinner. Wailuku's popular young folks were present, and each one helped to make the affair a success. The Wailuku Music Club furnished the music for the occasion, and several orchestra selections were artistically rendered, to the tune of which many danced.

Mr. Siemsen personally provided his guests with everything to make them comfortable.

After dinner the guests amused themselves with whatever was in sight; some walked along the beach until they were tired, while others sung to the accompaniment of the guitar.

The Kahului club house is situated near the sea beach, and gives a beautiful view of the harbor of Kahului.

#### A DOUBTING THOMAS.

Had His Falling Hair Stopped and Dandruff Cured Without Faith.

H. B. Fletcher, Butte, Mont., Oct. 20, 1899, says: "Like many other people, I have been troubled for years with dandruff and within the last few months my hair came out so badly that I was compelled to have what I had left clipped very close. A friend recommended Newbro's Herpicide. I confess that I doubted his story, but I gave Herpicide a trial; now my hair is as thick as ever and entirely free from dandruff." "Destroy the cause, you remove the effect." At druggists, \$1.00. Herpicide is a delightful hair dressing for regular use.
